The Largest Growers of Hardy Plants in America

CHOICE GLADIOLI

Within recent years hybridizers have produced some of the very best Gladioli, being noted for their strong, free growth, free-flowering qualities, purity of color and their ability to produce satisfactory results in our climate even under the most ordinary conditions, and whether wanted for show in the garden or for cutting, the sorts offered under this head now hold the premier place in their respective colors and are offered at prices so reasonable, considering their high grade, that they should be planted in quantity wherever summer flowers are wanted.

	Doz.	100
